

Registered Charity Number 1126679

A rose specially named to celebrate a life and to raise funds for the education of young people in Kenya.

This beautiful orange blended floribunda rose grows to around 1¹/₂ feet and has a wonderful fragrance.

Rose plants make a wonderful gift for many occasions and are a delightful addition to your garden. These roses can be grown in pots or planted in formal flower beds.

Potted roses cost £12.95 each and can be purchased from May onwards,

Matching greetings cards are available for an extra £1 direct from Zest for Life (email zestforliferoses@hotmail.co.uk for more details)

Bareroot roses are available during winter months and cost £8.95 each.
